**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please ensure the best track for consumer use of Internet access should not be cut off by the mega providers in their move to stop the smaller providers by blocking access to the complete universe of communications.

Higher price providers will choke spectrum access with a disadvantage to consumers.
